

# かんきょうたんけ

A hand-drawn banner on light green paper. At the top left is a yellow character with a smiling face, arms, and legs, holding a speech bubble. The speech bubble contains Japanese text: "道にもこんな  
ごみがたくさん  
でるよ!" (There are so many trash like this on the road!). To the right of the character is a large yellow brushstroke '人'. Next is the word '新聞' (Newspaper) written in large blue block letters. To the right of '新聞' are two small green characters, each holding a speech bubble. The first speech bubble says "これで分別しないよ!!" (Don't mix it up!!) and "いたくさんでるよ!" (There's a lot of it!). The second speech bubble says "ちゃんと分別をしよう" (Let's properly separate them!) and "あきかん でたくさん でるよ!" (It will be a lot, Akikan君). Above the characters are four hand-drawn butterflies in purple, green, yellow, and red.
